

Roadmap to Forever

1. Start the Conversation

Reach out however it feels easiest — phone, email, or schedule a quick call on our calendar. We're happy to chat!

2. Secure Your Venue

Before we move forward with a proposal, we ask that you've locked in your venue and wedding date. A rough timeline is a bonus!

3. Book a Free Consultation

We'll meet virtually, by phone, or in person — whatever works for you.

4. Share Your Dreams

During our call, we'll ask questions, hear your vision, and learn what matters most for your day.

5. Receive Your Custom Proposal

After our chat, we'll build a personalized proposal that reflects your style, needs, and guest experience.

6. Review & Adjust

Take time to look it over — we're happy to tweak it, answer questions, or explain anything along the way.

7. Ready to Book?

If it feels like a perfect fit, we'll secure your date with a signed contract and reservation fee. You can always make changes later.

8. Let's Keep Planning

From here, we're with you every step of the way, helping you navigate updates and changes as your day approaches.
